

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

UNITED STATES OF AMERICA,

Plaintiff,

v.

KORDAROW MOORE,

Defendant.

ORDER

12-cr-109-bbc

Defendant has filed a letter with the court in which he asks for modification of his sentence to time served so that he can be eligible for the Residential Drug Abuse Program. I will construe his letter as a motion and deny it for lack of jurisdiction.

This court has no authority to reduce a sentence once it has been imposed, unless (1) the United States Government were to move the court for a reduction in recognition of substantial assistance that the defendant has provided; (2) the court of appeals were to reverse defendant's conviction; or (3) defendant were eligible for a sentence reduction under 18 U.S.C. § 3582. Defendant does not suggest that he would be entitled to a reduction under any of these exceptions.

ORDER

IT IS ORDERED that defendant Kordarow Moore's motion to modify his sentence is DENIED because the court lacks the authority to grant the relief requested.

Entered this 28th day of April, 2014.
